

# EFFECTIVE MARCH 1, 2021 THE COVID **LOCKDOWN** IN THE USA IS **OVER**

## **AS OF THIS DATE THE FOLLOWING WILL OCCUR:**

- Masks are no longer mandatory.
- Social Distancing is no longer required
- Plastic Barriers are no longer required.
- Social Circles and Boundaries are no longer required.

We the citizens of the United States of America are now back in charge of our lives effective **March 1, 2021** as the USA returns to normal. All businesses are to return to business as usual removing all COVID requirements for their employees and customers.

For Citizens that have immune issues, are older or are just worried about COVID, you are free to continue self-isolating and practicing the above guidelines as you see fit.

We the Citizens of the United States of America are now free to make our own health decisions effective **March 1, 2021**. You may choose to live your life based on your own decisions for your own health. If we all take action effective March 1<sup>st</sup> We the People of the United States of America will take control of our nation back from our government and they cannot stop us.

**We have power in Numbers!**

**Please share with everyone possible on social media and post in every home and business across the nation.**
